

# Sant Gyaneshwar Educational & Welfare Society

(Registered under society registration act XXI of 1860)

8, Village Khampur, G.T. Karnal Road, Delhi 110036

Mail-id:- [sgpsdelhi@gmail.com](mailto:sgpsdelhi@gmail.com)

## **A bitter fact:-**

Education plays a predominant role not only in the modern world but also in that part of the world which is still not modern. It plays a key role for all the people of the society whether it belongs to rural or urban as the better life style is expected by everyone. But this is very unfortunate that **after 75 years of independence** of India the KEY for getting good education is still not available to **25 to 35%** population of our country where remarkable education could be provided to them. On one side different state governments are busy to spread their propaganda of providing the quality education to the depressed or economically weaker class in their government schools but on the other side **government school teachers themselves are not interesting to send their own kids in their own government schools in which they are teaching**. This is sufficient to understand that what level of education is being provided to the public in these government schools.

## **Our commitment with our some schemes:-**

Some of the parents who could not get good education in their lives due to their bad financial reasons that time and they conciliate that this was their ill fortune but this time they are well aware about their kids to provide them quality education but they feel themselves helpless once again when they search their pockets. Although they are helpless but this time **Sant Gyaneshwar Educational & Welfare Society ( in short SGEWS)** is standing with them to give a strong support for providing quality education to their kids. This time is the post Covid -19 effect which has disturbed not only the economy of each and every family of our country but on the other side it has snatched the opportunities from their kids to continue their education in the same school as they were studying before this epidemic. **Our institution is presently imparting education free of cost to round about 25% of our total strength** from our own resources by providing them free of cost books, stationary, uniforms etc. Our institution namely **Sant Gyaneshwar Public School** has launched **various schemes like:-**

1. **“Only Daughters Scheme” (ODS),**
2. **“Only Widow Scheme” (OWS),**
3. **“Orphans Scheme”(OS) and**
4. **“Only Teachers Scheme” (OTS)**

**All above mentioned schemes** are helping the parents of the rural society of our area to provide an ease in getting admission to their kids for a fruitful and valuable education.

### **Why did we launch “GEAS 2022-23” and what about “GEAS 2023-24”?**

Now besides this, our organization namely SGEWS has decided to take some more progressive steps towards imparting education among under privileged girls students by a new scheme namely **“Girl-Education Adoption Scheme 2022-23”** in short (**GEAS 2022-23**), most of the parents (having a complete pair of male & female children) in the rural area want to admit their male child in the private school but they forcefully send their girl child to the govt. school due to their discriminative nature which is the result of their weak financial condition however this is clearly injustice with the female children in the rural society whereas this practice is not brought in the urban society as their level of thinking is completely different from the parents belonging to the rural community. Keeping these discriminators in mind we decided to do something for the girls who could get education in our school as their brothers, so we launched this scheme namely **“GEAS 2022-23”** whereas this scheme was to be launched for 2020-21 session but due to Covid-19 epidemic it could not be possible that time and we launched it two years later in 2022-23. Now we are proposing same scheme with some changes for the session 2023-24 by its name as **“GEAS 2023-24”**.

There was not a provision for taking away the adopted girl child to the picnic or educational tour as there was not mentioned any kind of charge related to excursion or picnic in the fee structure given in **“GEAS 2022-23”** but when school was going to picnic on 9<sup>th</sup> December 2022 to **JOYGAON** near Jhajjar in Haryana, the adopted students were observed upset so at that moment we decided to take them all with us to picnic and we ,therefore, added some charges regarding for picnic/excursion in the fee chart in **“GEAS 2023-24”**

### **How can you help a girl child?**

By the grace of God if you have achieved all those things which you desired in your life and you want to help a poor families of rural having girl children then you can come with us to fulfill their dreams of getting education in the private school as their brothers are studying. For this welfare cause you can adopt a girl child or more girls for providing them education only in our school and there in no restriction of adoption of number of girls students. ***This clearly depends on your will*** that what number of girls will be adopted by you. You can select any girl-child from class Pre-schooling (PS) to 2<sup>nd</sup> from the list which will be provided you after your confirmation and she will continue up to X class as our school is up to secondary level. Name of the girl child adopted by you for providing education up to X class will be mentioned in the school at the ***“GEAS-Board”*** which will provide you a feeling of elation.

**What do you have to pay for a girl under GEAS 2023-24 ?** We are giving below a table of fee-structure of our school which is approved by Directorate of Education, Delhi for the ***session 2023-24*** and you will pay annually according to this table in our school account for the girl-child adopted by you and one very important point for your convenience is that you will pay according to this fee-table only in the future also for your adopted girl irrespective of the fee implemented that time in the session in which your adopted-girl child would have been studying in other words those girls children who have been admitted in this session their fees will be charged as written in the fee table in ***“GEAS 2023-24”*** or you can say that their fees will never increase in future.

### **Income Tax exemption on your contribution**

Our organization namely SGEWS is a that kind of organization which is running its schools in Delhi and it does not only provide free education to the girls children through its scheme like "ONLY DAUGHTERS SCHEME" but apart from this it also tries to provide education to GIRLS of those people who belong to the downtrodden, backward and economically weaker classes. In this way our institution is empowering women of our society and you can also help in the work of empowerment of women by adopting a girl for education only and whatever you pay for this cause, you will get 50% exemption on income tax as our organization has been issued an income tax exemption certificate by the Income Tax department of Government of India. If you are satisfied and confirmed with the scheme namely Adoption Plan "**GEAS 2023-24**" then you can send your consent on our school mail id and you can deposit your contribution in the form of annual fee in our school account detail of which is as given below:-

Name -- Sant Gyaneshwar Educational & Welfare Society

Bank -- Punjab & Sind Bank

Branch-- Singhola Delhi- 1100 40

A/C. No. -- 05341000030684
